Birding at Kiptopeke

Kiptopeke State Park is a great place to explore unique migratory bird habitat along the Atlantic flyway. With 564 acres of land and over 5 miles of trails, Kiptopeke is home to maritime forest, beaches and dunes on the Chesapeake Bay.

Use this Birds of Kiptopeke State Park guide to begin your journey into birding. The species listed can be found throughout the park most times of the years. Some species may be harder to find than other.
