Scavenger Hunt - Find all of the items below:

**2**

Play Charades! Act out your favorite Virginia animal - can you flap your arms like the wings of a Bald Eagle? Hoot like a Great Horned Owl? Hop like a Bull Frog? Or run as fast as a White Tail Deer? Did your friends or family guess your animal?

**3**

Make a nature rubbing! Place this paper against something with an interesting texture. Use a crayon or pencil to rub over the paper and create your own artwork. Try a couple different textures - maybe tree bark, a picnic table, or a leaf.

**4**

Use your senses! Lay on the ground. How does the ground feel beneath you? What do you see in the sky? What sounds do you hear?
