

NATIONAL Trails Day

Occoneechee State Park

**Join us
June 3**

Blaze new trails at Occoneechee State Park for National Trails Day. Gather with your friends and family and make your mark. Work with our Trail Stewards and Rangers to improve the Panhandle Multi-use Trail.

All ages are welcome and no experience is required, tools will be provided. We encourage participants to dress for the weather and bring work gloves, close toed shoes, refillable water bottles, a snack, bug spray and sunscreen. This is a great opportunity for local guests and visitors to get involved in ensuring future generations can experience the joy of blazing new trails!
