

I  
LOVE  
*Virginia State Parks*

Think  
Outside.

With more than 300 cabins and 1,800 campsites, the fun doesn't end at sundown. Many cabins are available year-round, and most campgrounds are open from the first Friday in March to the first Monday in December. Many parks offer overnight facilities suitable for reunions, weddings and special events. Some parks even have equestrian campsites.

**Discounts**  
Virginia State Parks are also inexpensive vacation destinations. Discount and annual passes for parking, boat launching and swimming make visits even more affordable.

Virginia State Parks offers hundreds of festivals, concerts and activities, from ranger-led hikes to living history demonstrations. There's so much to see and do in our 37 state parks. Here's your chance to think outside.
