## Southwest Virginia Museum Historical State Park

# Junior Ranger Historian Activity Booklet

A National Historic Landmark, the Southwest Virginia Museum is in an 1890s stone Victorian mansion with an original oak interior. The museum's collection includes more than 60,000 pieces and state of the art exhibits that tell the story of the exploration and development of Southwest Virginia from the pioneer era of the 1700s to the mining "boom and bust" era of the late 1800s.

How many of these can you find around the park grounds?

# How many of these can you find inside the museum?

The building that currently serves as our museum was built over a seven year period - from 1888-1895! The master craftsmen that constructed the building used locally sourced materials, such as limestone and oak. Can you match the shapes below with items on the building's exterior?

We hid words relative to the history of Southwest Virginia in the word search below. Can you find them all?
