**A RESOLUTION TO SUPPORT THE ACQUISITION AND CONVERSION OF OUT-OF-SERVICE RAILROAD
RIGHT-OF-WAY TO A TRAIL FOR ALTERNATIVE TRANSPORTATION AND RECREATION**

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County are in a state of disuse, all freight and passenger service having ceased;

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, is a blight on our community, and a danger to youth who may be tempted to trespass;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth; and greatly enhance recreational services in Broadway;

WHEREAS such trail would connect eleven communities including Broadway in Rockingham County, offering the option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE BE IT RESOLVED that the Town Council of the Town of Broadway endorses the conversion of the aforementioned 48-mile discontinued railroad to a multiuse trail for alternative transportation and recreation;

FURTHERMORE the Town of Broadway resolves to join with the other trail localities in seeking the support of regional, state and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

A RESOLUTION TO SUPPORT THE ACQUISITION AND CONVERSION OF OUT-OF-SERVICE RAILROAD RIGHT-OF-WAY TO A TRAIL FOR ALTERNATIVE TRANSPORTATION AND RECREATION

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County, and passing through the Town of Edinburg and Shenandoah County, are in a state of disuse, all freight and passenger service having ceased;

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, is a blight on our community, and a danger to youth who may be tempted to trespass;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth;

WHEREAS such trail would connect eleven communities including the Towns in Shenandoah County, offering an option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS the creation of the trail will further enhance Edinburg's efforts at the historic Edinburg Mill as well as the work being done by the U.S. Forest Service in partnership with the Camp Roosevelt CCC Legacy Foundation on the future CCC James R. Wilkins, Sr. Interpretive Center, both of which are directly adjacent to the trail's route;

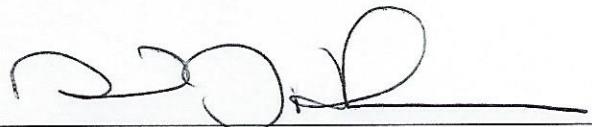

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE BE IT RESOLVED that the Town of Edinburg endorses the conversion of the aforementioned 48-mile discontinued railroad to a multiuse trail for alternative transportation and recreation;

FURTHERMORE, Edinburg resolves to join with the other trail localities in seeking the support of regional, state and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

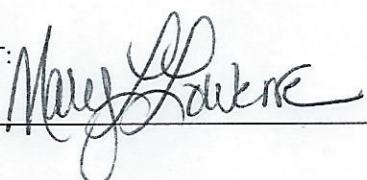

Adopted this 13th day of April, 2021

**A Resolution of the Harrisonburg-Rockingham Chamber of Commerce
In Support of the Shenandoah Valley Rail Trail from the towns of Broadway to Front Royal**

WHEREAS The Harrisonburg-Rockingham Chamber of Commerce represents hundreds of businesses, non-profit agencies and local governments in Harrisonburg and Rockingham County; and

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility; and

WHEREAS The proposed location presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields; and

WHEREAS such a trail would catalyze tourism-related economic growth, not only within the participating localities, but surrounding communities as well; and

WHEREAS the aforementioned trail would offer the option of safe alternative transportation within and between the communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life; and

WHEREAS the Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021

NOW THEREFORE BE IT RESOLVED

That the Board of Directors of the Harrisonburg-Rockingham Chamber of Commerce will advocate for the creation of the trail and to work with various coalitions to achieve this goal while seeking the support of regional, state and federal agencies .

RESOLUTION #: 238

A RESOLUTION TO SUPPORT THE ACQUISITION AND CONVERSION OF OUT-OF-SERVICE RAILROAD RIGHT-OF-WAY TO A TRAIL FOR ALTERNATIVE TRANSPORTATION AND RECREATION

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County, and passing near the Town of New Market, are in a state of disuse, all freight and passenger service having ceased;

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, is unattractive to our community;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth;

WHEREAS such trail would connect eleven communities in Shenandoah County, offering the option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS though such a trail will not directly run through the town, the trail will provide opportunities for the town to connect and provide access to the Town's historic landmarks, bringing in more foot traffic while also providing a walking trail to support a healthy community;

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE BE IT RESOLVED that the Town of New Market endorses the conversion of the aforementioned 48-mile discontinued railroad to a multiuse trail for alternative transportation and recreation;

FURTHERMORE, the Town of New Market resolves to join with the other trail localities in seeking the support of regional, state and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

CERTIFICATE

The undersigned Mayor and Clerk of the Town Council of the Town of New Market, Virginia hereby certify that the foregoing constitutes a true and correct copy of the Town of New Market's Resolution to Support the Acquisition and Conversion of Out-Of-Service Railroad Right-of-Way to a trail for alternative transportation and recreation adopted by the Town Council at a meeting held on April 19, 2021. RESOLUTION 21-02

SUPPORT FOR THE ACQUISITION AND CONVERSION OF OUT-OF-SERVICE RAILROAD RIGHT-OF-WAY TO A TRAIL FOR ALTERNATIVE TRANSPORTATION AND RECREATION

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County, and passing through the multiple Northern Shenandoah Valley Regional Commission (NSVRC) member jurisdictions, are in a state of disuse, all freight and passenger service having ceased;

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, is a blight on our community, and a danger to youth who may be tempted to trespass;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth;

WHEREAS such trail would connect eleven communities, offering the option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS NSVRC has worked to foster collaboration among affected jurisdictions, the Commonwealth, and Norfolk Southern Railroad to find a path forward for conversion of the rail line;

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE, BE IT RESOLVED that the NSVRC endorses the conversion of the aforementioned 48-mile discontinued railroad to a multi-use trail for alternative transportation and recreation;

FURTHERMORE, the NSVRC resolves to join with the other trail localities in seeking the support of regional, state and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

Richmond, VA 23219

Dear Ms. Wampler

I am the President of the Shenandoah Valley Runners (SVR) club and I am writing to you to support the Shenandoah Valley Rail Trail project. Our members would really enjoy this project and we want to support the effort.

SVR's mission is to promote and encourage running, regardless of age, gender or physical condition. To accomplish its mission, SVR hold races and social runs, awards scholarships, sponsors speakers, and coordinates with other agencies in the community advocating running and walking. SVR sponsors about 30 races a year, helping to bring outstanding community running events to Frederick, Warren, Clarke, and Shenandoah Counties and even a few in West Virginia. Although the primary club base is in Winchester, Virginia, our club membership and activities cover the greater northern Shenandoah Valley. We are also a proud member of the Road Runners Club of America (RRCA).

Last year we had 578 families with 1047 total members involved with our club. I am certain that many of our members would use the Shenandoah Valley Rail Trail to run, walk, and bike, and we hope that the project will be completed soon.

Thank you for your work to make this project a reality.

Sincerely,

WHEREAS the prospect of the restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, presents an obstruction and safety hazard to the community;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian, and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth;

WHEREAS such trail would connect eleven communities, offering the option of safe active transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representatives of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE BE IT RESOLVED that the Shenandoah Valley Bicycle Coalition endorses the conversion of the aforementioned 48-mile discontinued railroad to a shared-use trail for active transportation and recreation;

FURTHERMORE, The Shenandoah Valley Bicycle Coalition resolves to join with the localities along the trail in seeking the support of regional, state, and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

A RESOLUTION TO SUPPORT THE ACQUISITION AND CONVERSION OF OUT-OF-SERVICE RAILROAD RIGHT-OF-WAY TO A TRAIL FOR ALTERNATIVE TRANSPORTATION AND RECREATION

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County, and passing through the Town of Timberville, are in a state of disuse, all freight and passenger service having ceased;

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, is a blight on our community, and a danger to youth who may be tempted to trespass;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth;

WHEREAS such trail would connect eleven communities including two communities in Rockingham County, offering the option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS the trail section in and around Timberville would provide users the opportunity to experience the beauty and serenity of the scenic North Fork of the Shenandoah River;

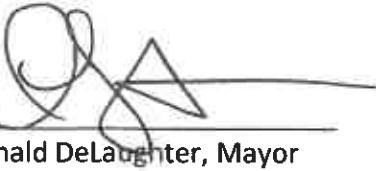

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE, BE IT RESOLVED that the Town of Timberville endorses the conversion of the aforementioned 48-mile discontinued railroad to a multiuse trail for alternative transportation and recreation;

FURTHERMORE, the Town of Timberville resolves to join with the other trail localities in seeking the support of regional, state, and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

Done in and for the Town of Timberville, Virginia this 13th day of May 2021.

MEMO TO: Ed Daley, Interim County Administrator
FROM: Emily M. Ciarrocchi, Deputy Clerk of the Board *El*
SUBJECT: Resolution of Support for the Rail Trail
DATE: April 21, 2021

The Board of Supervisors, at its regular meeting of April 20, 2021, adopted the proposed resolution to support the acquisition and conversion of out-of-service railroad right-of-way to a trail for alternative transportation and recreation.

CC: Delores Oates, North River District Supervisor

RESOLUTION

of the Board of Supervisors of Warren County to Support the Acquisition and Conversion of Out-of-Service Railroad Right-of-Way to a Trail for Alternative Transportation and Recreation

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County, and passing through the County of Warren, Virginia are in a state of disuse, all freight and passenger service having decreased significantly; and

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely; and

WHEREAS the railroad, in its current state of disuse, is a blight on our community, and a danger to youth who may be tempted to trespass; and

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields; and

WHEREAS such trail would catalyze tourism-related economic growth; and

WHEREAS such trail would connect eleven communities including Warren County and the Town of Front Royal, offering the option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life; and

WHEREAS such trail would provide the communities of Warren County and the Town of Front Royal opportunity for an outdoor experience not currently available, which promotes a healthy lifestyle for area residents and provides connections to other existing or planned bicycle infrastructure in Warren County; and

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility; and

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021.

NOW, THEREFORE BE IT RESOLVED that the Board of Supervisors of the County of Warren, Virginia endorses the conversion of the aforementioned 48-mile discontinued railroad to a multiuse trail for alternative transportation and recreation; and

FURTHERMORE, the Board of Supervisors resolves to join with the other trail localities in seeking the support of regional, state, and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

February 24, 2021

Dear Northern Shenandoah Valley Regional Commission,

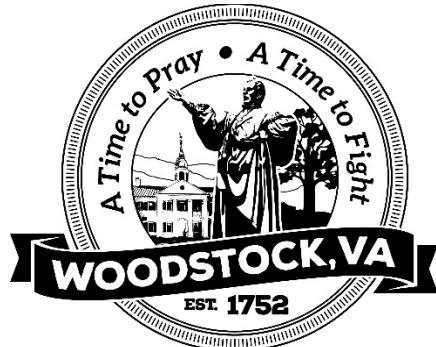

We have been contacted by Jennifer Wampler of the Virginia Dept. of Conservation and Recreation regarding a proposed Shenandoah Valley Rail Trail from Broadway to Front Royal. She wished to know if our cycling club believed there was interest in such a rail trail, and for input if we had any.

I spoke with the Club at our last monthly meeting about the proposed trail, and there is very strong interest in the trail. The proposed trail would be popular not only with cyclists in our Club, but we believe with the boom in outdoor recreation that has occurred this past year that many user groups would be enthused for such a trail in our area.

The Winchester Wheelmen has been involved in numerous cycling projects over the years, from trail work at local mountain bike trails to working with the local Boys and Girls Club to provide kids with bikes to putting on organized rides utilizing roads and paths in the area. The community in the Shenandoah Valley continues to grow, and recreational facilities like the proposed trail is an important positive lifestyle addition. That the proposed facility is cycling-oriented makes it accessible to a large breadth of users. We would certainly do our part to spread the word about this addition to the community and help in any way we can to make the project a success.

Sincerely,

Josh Lewis
President
Winchester Wheelmen, Inc.

Dear Ms. Wampler,

I am excited to transmit to you a copy of a Resolution of Support from the Woodstock Town Council for the Shenandoah Rail Trail concept. As an early advocate for this rail to trail conversion, our governing body is unanimously in favor of continuing to pursue this wonderful and unique opportunity. Please find a copy of this resolution attached to this letter.

If you require additional information or clarification, please do not hesitate to contact me at aaron.grisdale@townofwoodstockva.gov or 540-459-3621.

Regards,

Aaron M. Grisdale
Town Manager

A RESOLUTION TO SUPPORT THE ACQUISITION AND CONVERSION OF OUT-OF-SERVICE RAILROAD RIGHT-OF-WAY TO A TRAIL FOR ALTERNATIVE TRANSPORTATION AND RECREATION

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County, and passing through the Town of Woodstock, are in a state of disuse, all freight and passenger service having ceased;

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, is a blight on our community, and a danger to youth who may be tempted to trespass;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth;

WHEREAS such trail would connect eleven communities including the Town of Woodstock and other towns in Shenandoah County, offering the option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS such trail runs through Woodstock's historic downtown, provides a central connection to the Town's Bike and Pedestrian Master Plan, close proximity to Seven Bends State Park, and serves as potential safe multimodal route to the Central campus of Shenandoah County Public Schools;

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE, BE IT RESOLVED that the Town of Woodstock endorses the conversion of the aforementioned 48-mile discontinued railroad to a multiuse trail for alternative transportation and recreation;

FURTHERMORE, the Town of Woodstock resolves to join with the other trail localities in seeking the support of regional, state and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.

Dated this 6th day of April 2021.
